

Summary of Facility and Capital Plans

Our school facility is located at 10312 – 105 Street in Edmonton. This facility is meeting our school's needs very well. The facility is also BOMA BEST*/GO GREEN certified.

The lease for this facility continues until August 31, 2021 and it is the Board's intention to negotiate with the facility's landlord and Alberta Education's Capital Planning department to secure another lease term for this facility.
